

NALEDI NCUBE

Keynote speaker / Moderator / Event host / Interviewer

Strategic conversation architect specialising in women's leadership, social impact and institutional dialogue. Over ten years guiding conversations at a high level, from the WEF ecosystem to the European Investment Bank. Based in Budapest, working internationally in 8 languages.

FORMATS

Keynote. Fully bespoke, story-driven talk built around your theme.

Panel moderation. Briefing call, custom questions, panellist research, live steering, timekeeping.

Fireside chat. Pre-event interview with the guest and a clear narrative arc.

Conference moderation. A full programme, steered and kept on time.

Event hosting. Dinners, evenings, galas and full-day programmes.

Interviewing. On stage or on camera. All formats also virtual or hybrid.

SPEAKING TOPICS

Signature talk: Build With. Designing policies, technology and partnerships with the people they affect, not for them.

Women's leadership. Visibility, sponsorship and the next generation of leaders.

Social impact. Purpose, community and lasting change.

Institutional dialogue. Bringing institutions, business and people to one table.

AI and emerging markets. AI policy seen from emerging markets and its impact on households.

Gen Z. Understanding Gen Z, how Gen Z works, Gen Z in the workplace.

Bespoke conversations. Open to relevant topics beyond these areas.
